HAL LONGLEY, Sale Mgr. 37 Island Ave. AURORA, ILL.

The Corn Belt furnishes ideal conditions for the production of Shorthorn cattle. Shorthorns are the best for the Corn Belt because they utilize natural bounties better than do cattle of any other breed. Here are some of the grand heifers produced on the fertile farm of Geo. Atwood at Rockton, Ill. A choice consignment of seven head will be offered in this sale from Atwood Farms.

**N**ORTHWESTERN Illinois has been a stronghold for good Shorthorns for many years and the Tri-County Association, founded in 1906, is one of the oldest in the county. Its members are wide-awake breeders who constantly improve their herds and each successive sale is stronger than the last. This sale offering is particularly strong and those who attend will find 44 head of the real improving kind. Among the 18 bulls, breeders will find plenty of suitable material for herd bull use and farmers will find the kind of bulls that will sire market-topping steers. The 26 females are a beautifully bred lot, representing the finest Scotch tribes and the blood of noted sires. The annual Tri-County Sales have supplied good Shorthorns to critical buyers for more than a third of a century. Come to Lena, Illinois, on March 7th and buy beautifully bred cattle that are sure money makers. This sale is made up almost entirely of cattle bred by the consignors.

All cattle entered in this sale have been tested for T. B. and Abortion within thirty days of the date of the sale.

## Terms and Conditions

**LOCATION**—The sale will be held in Stauffer's heated Auction Pavilion at Lena, Ill., on Saturday, March 7, 1941. Paved road 73 runs north and south through Lena joining U. S. 20 one mile south of town. Lena is located 12 miles northwest of Freeport. There is a comfortable hotel in Lena for those who care to remain over night. The sale will start promptly at 1:00 P. M.

**TERMS**—Cash, unless other arrangements are made with the owners of the cattle before the sale. Settlements must be made with the clerk immediately at the close of the sale. All cattle will be at buyer's risk as soon as bid off, but will be loaded on cars or delivered to trucks for transportation to comply with instructions of the purchaser.

**GUARANTEE**—All cattle sold subject to a 60-day retest for tuberculosis and health certificates will be furnished to comply with any state into which they may go. All cattle in this sale have been blood tested for Bang's Disease within 30 days of the date of this sale. Bulls are guaranteed if properly cared for and not allowed to run at large with the herd under fourteen months of age. If any bull fails to breed he may be returned to the seller, if in as good a condition as when sold, and if after a fair test in the seller's herd, he still fails to breed he will be replaced or purchase price refunded at the option of the seller. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at time of sale are guaranteed breeders. Animals returned to the seller because they do not comply with the guarantee will be at the buyers cost of transportation. The above guarantee and terms shall constitute a contract between seller and buyer of each lot. The Tri-County Shorthorn Breeders' Association, under whose auspices this sale is held assumes no liability but it is our desire and intention to protect the interests of both buyer and seller with a view of bringing about a satisfactory adjustment of any difference that may arise. The clerk or sale manager assumes no liability, legal or otherwise. We will not be responsible for accidents but every effort will be made to guard the safety and comfort of our guests.

**REGISTRY**—A certificate of registry and a signed transfer will be furnished with each lot sold, and an application for registry will be furnished for each calf sold at foot with dam and for each unborn calf sold in dam. Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**BIDS**—Those wishing to buy who cannot be present may leave bids or send them to Hal Longley, the sale manager in care of The Shorthorn World, 37 Island Ave., Aurora, Ill. Buying orders may also be sent to J. E. Halsey of Wallaces' Farmer or Tom Sherlock of the Drovers Journal. Such orders will be honestly and faithfully executed.

Investments made in good Shorthorn females will return profits to farms that need increased income. It is not uncommon for a good Shorthorn cow to return as much as fifty per cent profit each year on the original cost and still bring back a large share of the purchase price after her usefulness has expired. That is why she is known as "The Farmer's Cow."
